John B. Quirk, DOES NOT give warranty, express or implied, as to description, quantity productiveness or any other matter of any seeds he may send out, and will not be in any way responsible for the crop. No Responsible Seedman Gives Any Warranty.

If speds do not produce properly, you are not only out your purchase money, but your time, your crop and most important of all, your summers work.

You must depend largely for your chance of success upon the reputation of the grower of the speds you plant.

INSURE your crop by planting only JOHN B. WIRM'S high grade onion seeds.

Everything possible has been done to make my seed give 100% satisfaction to the grower. The experience and knowledge gained by thirty five years in the seed business are back of my seeds.
